Hereinafter, employee(s) in the defined unit will be referred to as bargaining unit member(s) or employee(s).

Recognition of the Union shall continue in full force and effect until such time as a challenging employee organization is successful in gaining exclusive representative status in accordance with Ohio law.

SECTION 1.02 MANAGEMENT RIGHTS

The Board hereby retains and reserves unto itself without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Ohio and the United States, including, but without limiting the generality of the foregoing, the right to the executive management and administrative control of the school system and its properties and facilities, the right to develop and adopt policies, rules, and regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, except as expressly limited by the terms of this contract and Chapter 4117 of the Ohio Revised Code. Board members shall be notified of all meetings of committees established by this agreement and a board member(s) may attend.

SECTION 1.03 EQUAL RIGHTS CLAUSE

The parties to this Agreement jointly pledge that provisions of this Agreement shall apply uniformly to all members of the bargaining unit without regard to race, religion, color, sex, sexual preference/orientation, gender identity, marital status, national origin, disability, military status, genetic information, ancestry or age.

ARTICLE II – NEGOTIATIONS

SECTION 2.01 NOTICE

Either the Association or the Board may initiate negotiations by a letter of submission forwarded to the other party on or after March 1 prior to the expiration date of this agreement outlining their intent to bargain. Letter of submissions by the Board shall be forwarded to the Huron Education Association President as well as the current Labor Relations Consultant at the Ohio Education Association office.

SECTION 2.02 PROCEDURE

- A. Within twenty (20) calendar days of transmittal of said submission letter, the parties shall hold their first negotiations session unless it is otherwise agreed, in writing, to postpone or delay negotiations for a stated period of time. At any negotiation session, either party may be represented by no more than five (5) representatives. Each team may also have one (1) observer at each negotiations meeting. Observers may be switched with team members at any time during the course of negotiations.
- B. All issues for negotiations by the Association and the Board shall be submitted in writing at the first meeting. No additional issues shall be submitted by either party, unless agreed to by both parties.
- C. If, after forty-five (45) calendar days from the first negotiation session, agreement has not been reached on all items under negotiation, either party may call for the services of the Federal Mediation and Conciliation Service to assist in negotiations. If a party calls for mediation involvement, the other party shall join in a joint request. Meetings shall be held at the discretion of the mediator.
- D. The Board and the Association agree that the aforementioned Federal Mediation shall supersede all other dispute settlement procedures contained in Section 4117.14(B) and (C) of the Ohio Revised Code. The Board further recognizes that the members of the bargaining unit have the right to strike provided that, (1) the employee organization representing the employees has given a ten-day prior written notice of an intent to strike to the public employer and to the Board signifying the date and time of day the job action is to commence, pursuant to Section 4117.14(D) of the Ohio Revised Code; and (2) the contract has expired; and (3) the impasse resolution procedure has been followed. The Association agrees that no strike shall be conducted during the term of this agreement.

SECTION 2.03 AGREEMENT

When the negotiations teams reach tentative agreement on a successor contract, said contract shall be submitted to the Association for ratification within thirty (30) calendar days following tentative agreement. Upon ratification by the Association, the agreement shall be submitted to the Board for ratification within thirty (30) calendar days thereafter. When so ratified and adopted, the agreement shall become a binding contract between the parties for the period stated therein.

SECTION 2.04 DISTRIBUTION AND COST OF THE AGREEMENT

It will be determined at the conclusion of the bargaining process whether the Association or Board shall prepare for review by the parties an electronic draft copy of the master contract. After review/correction by the parties, the preparer of the draft copy will provide an electronic copy of the final agreement to the representatives of both parties. The Administration shall provide sufficient copies of the final contract to all members of the bargaining unit. Length of Work Year - The annual salary is based upon one hundred eighty-four (184) teacher days for a returning teacher (the equivalent of one thousand four hundred ten and $\frac{2}{3}$ (1,410.67) working hours) and one hundred eighty-five (185) for a teacher new to the system (the equivalent of one thousand four hundred eighteen and $\frac{1}{3}$ (1,418.33) working hours). This will include one hundred eighty (180) days of student instruction, one (1) preparation day with no meetings scheduled as the first teacher work day, one (1) records day scheduled as the last teacher work day, and two (2) in-service days. Any extension to the calendar shall be compensated on a per diem rate per pay step on the salary schedule.

SECTION 7.02 PREPARATION/CONFERENCE PERIODS

A. High School Teachers

During any year in which Huron High School elects not to follow the block schedule, each High School instructor shall have a minimum of forty-five (45) minutes/day of preparation/conference time.

During any year in which Huron High School elects to follow the block schedule, the following procedures will govern the class schedule and teachers' preparation/conference periods:

These four (4) periods will be scheduled in such a manner to allow every teacher to have a "double-block" of time for each of that teacher's regularly scheduled eight (8) class periods, including the planning time period.

Each teacher, therefore, shall be scheduled a minimum of one (1) ninety (90) minute preparation/conference period during the block scheduled days. If possible, teachers shall be assigned a non-teaching/supervision duty on the day they are not scheduled a preparation/conference period.

5. High school teachers may request that the High School Principal schedule a particular class in order to allow that class to meet daily as opposed to the block periods of time. The High School Principal will decide if a class can be scheduled in this manner.
- B. Every teacher grades pre-K through four (4) shall have a minimum of two hundred (200) minutes of preparation/conference time per week. One hundred eighty (180) minutes of the two hundred (200) minutes shall be scheduled during the student day in no less than thirty (30) consecutive minutes slots, exclusive of student travel time. This provision does not apply to traveling teachers.
- C. Every teacher grades five (5) through twelve (12) shall have a preparation/conference time equal to one class period, that is no less than forty (40) consecutive minutes per day.
- D. Compensation for Substituting During Conference or Planning Periods

Teachers who agree to substitute during a conference or planning period at the request of the Principal shall be paid twenty dollars (\$20) per substitution for a regular class period and thirty-five dollars (\$35) for a block period. The time slip will be signed by the Principal and teacher and turned in by the Principal to the Treasurer for payment. Payment shall be scheduled within the next two (2) scheduled pay dates.

SECTION 7.03 EXTENDED TIME

Extended days in addition to the regular school year, or days in addition to the regular school week, will be compensated on a daily rate per step on the salary schedule: i.e.- salary on salary schedule divided by 184 days x day(s) of service = extended rate.

Courses taught in addition to the required school day shall be compensated at a rate prorated per step on the regular salary schedule: i.e. - the extended rate divided by number of periods in the day times number of periods taught.

All other duties will be covered under separate supplemental contracts.

SECTION 7.04 NONTEACHING DUTIES

SECTION 7.05 SCHOOL CALENDAR

Therefore, by January 15th annually, the Superintendent and/or his designee and the HEA President and/or his designee shall meet to develop at least two (2) alternative school year calendars per year for up to two (2) years. At least one (1) proposal option will start after Labor Day. Upon completion of the two (2) alternatives, employees shall be polled regarding the calendars, with one representative from the Association and one representative of the Administration tallying the results.  2. The following school events are to be included on the calendar drafts – Dates and times of Parent/Teacher Conferences at each building, Open House dates and times at each building, Grading Period beginning and ending dates, and scheduled In-Service Days.
- B. There will be five (5) allowed Calamity Days that do not need to be made up by students or bargaining unit members. If a need arises for more than five (5) calamity days then a plan will be submitted to ODE for approval of the use of three (3) Blizzard Bags. These bags will be completed by each bargaining unit member by September 30 of each year. If a need arises beyond five (5) allowed Calamity Days and three (3) Blizzard Bags, bargaining unit members will make up all other student days provided it does not exceed the contractual work year of 184 days or the equivalent of one thousand four hundred and ten and 2/3 (1,410.67) hours. If state law changes either in the number of calamity days allowed or the number of required make up days that law will supersede this provision subject to Letter C below.
- C. The Board agrees to consult with representatives of the Association in regard to make-up days whenever the Huron City Schools are forced to close for a designated period. The Board reserves the right to make the final decision regarding make-up days after full consideration of the Association's recommendation regarding the make-up schedule. SECTION 10.03 EQUAL SENIORITY

- A. A tie in seniority shall occur when two (2) or more teachers have the same amount of seniority credit as determined by the seniority list.
- B. Ties in seniority shall be broken by the following method to determine the most senior teacher:
 - 1. The teacher with the first day worked on a limited teaching contract shall be deemed most senior.
 - 2. If a tie persists, then the teacher with the earliest date of employment on a limited teaching contract, said date determined by the date of the meeting at which a Board resolution to hire was passed, shall be deemed most senior.
 - 3. If a tie persists, then the most senior teacher shall be determined by a flip of a coin. This procedure shall be implemented in the presence of an HEA representative designated by the Association President.

SECTION 10.04 LOSS OF SENIORITY

Seniority shall be lost when a teacher retires, resigns, dies, is employed in a non-bargaining unit position, is non-renewed or is discharged.

SECTION 10.05 POSTING OF SENIORITY LIST

- A. The seniority list shall be posted annually by the first Monday of February. The Board shall prepare and post on the designated bulletin board in each building a seniority list of all teaching employees of the district, including those on any type of leave, indicating all areas of certification/licensure, the first day worked, the date of the Board resolution to hire, the contract status (limited/continuing), area of current assignment, full or part-time status, and continuous years of system-wide service in the District of each teacher. Said list shall be provided to the HEA president on or before the dates of posting. Part-time for purposes of this Article is defined in Section 7.06.
- B. Each teacher shall have twenty (20) calendar days from the date of posting to authenticate the validity of all data pertaining to his/her seniority status. Any errors must be brought to the attention of the Superintendent in writing within the twenty (20) calendar day period. The Superintendent shall investigate all reported inaccuracies, make adjustments as may be in order, and post an updated list immediately. Upon posting of the updated list, teachers shall have ten (10) calendar days to report any errors of the updated list to the Superintendent. The Superintendent shall investigate any reported errors and immediately post a final

list. No protest shall be considered after posting of the final list and the list shall be considered as final until the next posting.

- C. The names of the teachers on the seniority list shall appear in seniority rank order with the name of the most senior teacher appearing at the top of the listing and the name of the least senior teacher appearing at the bottom.

ARTICLE XI – REDUCTION IN FORCE

SECTION 11.01 REASONS FOR REDUCTION IN FORCE

The Board may reduce the number of teaching positions by suspending contracts for one or more of the following reasons:

- A. Decreased enrollment of pupils;
- B. Return to duty of regular teachers after leaves of absence;
- C. Suspension of schools or territorial changes affecting the district;
- D. Financial reasons.

SECTION 11.02 PROCEDURE FOR REDUCTION IN FORCE

- A. The Superintendent's recommendation for contracts to be suspended shall be made in accordance with the following procedures:
 - 1. Every effort will be made in reducing the staff to do so by normal attrition before implementing any reduction in force pursuant to this Article. Attrition means not replacing teachers who leave the district for any reason.
 - 2. Reductions recommended in a teaching field will be made within each field affected by selecting the teacher with the lowest rating on his/her evaluation. The teacher with the lowest evaluation rating will be the teacher whose contract is suspended. If two or more teachers have comparable evaluations, layoff will occur in reverse order of seniority. Preference shall be given first to teachers on continuing contracts and then to teachers on limited contracts. A teacher whose contract is to be suspended who holds valid certification/licensure in one or more areas of certification/licensure other than his/her current assignment may elect to displace the teacher with the least seniority in any areas of certification/licensure held by such teacher provided the displaced teacher has less seniority and a comparable or lesser evaluation. The teacher electing to displace another teacher shall displace the least senior teacher if his/her evaluation is comparable or higher, and shall not be afforded the option to choose a preferable position of a less

senior teacher. Any such election must be made within two (2) workdays of the time the teacher is notified he/she will be affected.

3. Certification/licensure shall be defined as the teaching area(s) appearing on a teacher's current State of Ohio certificate/license. Teachers shall be responsible for keeping their certification/license current.
- B. The names of teachers whose contracts are suspended in a reduction in force will be placed on a recall list for twenty-four (24) months from the effective date of the reduction.
 - C. The effective date of the RIF for computing the twenty-four (24) month call back period shall be from the time that instruction actually began without the position being filled.
 - D. When reasons for a RIF are determined, the teachers to be Riffed or affected will be notified no less than sixty (60) calendar days prior to the Board action implementing the RIF.
 - E. This article shall not require the Board to fill any vacancy, nor shall it interfere with any other lawful personnel procedure in the district.
 - F. Following the notification described in paragraph (D) above, the Association president shall receive written notification from the Superintendent delineating the reason(s), bargaining unit position(s), and areas of certification/licensure to be affected. Within fifteen (15) days of such notice, the Superintendent shall meet with the Association president and his/her designee to discuss the potential RIF.
 - G. If a teacher displaces another in a certification/licensure area in which he/she has not taught nor taken additional college course credit work within the past five (5) years, said teacher shall be encouraged to complete additional college training (undergraduate or graduate), up to three (3) courses, to improve skills in that subject area.
 - H. Accomplished and Skilled evaluation ratings will be considered comparable with each other for purposes of this Article.

SECTION 11.03 RECALL RIGHTS

Teachers on the recall list will have the following rights:

- A. No new teachers will be employed by the Board while there are teachers available for recall on the recall list who are certificated/licensed for the vacancy.

- B. Teachers on the recall list will be recalled in reverse order of their release for vacancies in the areas for which they are certificated/licensed, with preference given to those on continuing contracts.
- C. If a vacancy occurs, the Board will send an announcement by certified mail to the last known address of the first two (2) teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his/her current address and any change in his/her licensure. Any additional licensure shall be recognized for recall. The teacher is required to respond, in writing, to the district's central office within seven (7) calendar days. Failure to respond will result in moving to the bottom of the recall list.
- D. A teacher may decline the offer of reinstatement of position for health reasons or if under contract in another school district without affecting his/her recall rights for the remainder of the twenty-four (24) month period. Taking employment elsewhere does not remove a person from the recall list.
- E. No teacher whose contract has been suspended pursuant to this Article shall lose the right of recall by reason of having declined a recall to a position of a lesser percentage of full-time employment than the position the teacher held immediately prior to the suspension of the teacher's contract.
- F. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulated sick leave, and position on the salary schedule as he/she enjoyed at the time of the layoff. Accumulated sick leave shall remain the same upon return to active employment provided no sick leave has been used since the initial layoff.
- G. While on the recall list, a teacher will have the option to remain an active participant for hospitalization and other board provided fringe benefit programs by contributing thereto the amount necessary to maintain such benefits, in accordance with the provisions set forth in the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).
- H. Teachers on the recall list will be given preferential treatment as substitute and part-time teachers. The Board shall provide all secretaries and any contracted provider used to identify substitutes (e.g., Rachel Wixey) with a list of teachers on the recall list. However, acceptance or refusal of said positions shall not disqualify any teacher from call back rights herein specified.

Administrators are responsible for written evaluation reports of their professional staff members according to the following schedule:

1. All new teachers working on a one-year contract or teacher who has received an unsatisfactory evaluation in the previous year: three (3) appraisals based on classroom observations and overall professional performance; the first to be completed by October 30; the second by January 30; the third by March 15.
2. All teachers other than those found in Section A(1), above, whose contracts are up for renewal for the next school year are to be observed and a complete

evaluation made by January 30. Any unsatisfactory evaluation will be followed by an additional observation and evaluation within sixty (60) days.

3. All teachers on a continuing contract: an annual evaluation to be completed by June 1 once every three (3) years.
4. The evaluation procedures described in this Article supersede and replace those set forth in Section 3319.11 and 3319.111 of the Ohio Revised Code.

B. Classroom Observations

The classroom observation should be of sufficient length in the subject area covered in order to watch the complete development of a lesson. At this observation, the principal may check the lesson plans, seating charts, daily schedule, emergency classroom procedure, and the adequacy of preparation for a substitute teacher. There should be as little distraction from the classroom routine as is possible under the circumstances, and the teacher should continue as planned and not teach the observer. Observations may be either scheduled or unscheduled.

C. Conferences with Teacher and Principal

1. Within five (5) school days following each classroom observation, the teacher shall meet in conference with the principal and discuss the teaching performance appraisal prepared by the administrator. For the purpose of this section, school days shall be counted as days when both the evaluator and teacher are present.
2. During this conference, the evaluator shall indicate any areas which he/she found to be unsatisfactory and needing improvement. Such indication shall include specific written recommendations for the desired improvements and the means by which the teacher may obtain assistance in making such improvements.
3. At the conclusion of this conference, the evaluation report will be prepared in triplicate, signed and distributed as follows: original to the superintendent, copy to the teacher, and a copy to the principal. The signature of the teacher indicates that the report has been examined but not necessarily that the teacher agrees with the written evaluation. The teacher may attach any comments or a rebuttal to this report.
4. The conference shall emphasize the material contained in the written report and it is imperative that a rapport based on trust and mutual respect be established prior to these conferences (early in the school year) if they are to be meaningful to all concerned. It is understood that all areas appearing in the written form may not be applicable at every evaluation and, therefore, should be indicated by a "NO" (not observed) in the space provided.

5. The evaluation will be based on the classroom observation and overall professional performance.

SECTION 17.02 OTES TEACHER EVALUATION PLAN

A. Definitions for the purposes of this article are:

1. Evaluation Cycle: The period of time for the completion of the evaluation procedure. The evaluation cycle is completed when the Final Holistic Rating has been assigned.
2. Evaluation Rating: The final holistic evaluation rating that is assigned to a teacher based on the evaluation cycle that is conducted pursuant to the terms of this agreement. The evaluation rating is assigned at the conclusion of the evaluation cycle. Each completed evaluation shall result in the assignment of one of the following evaluation ratings to the teacher: Accomplished, Skilled, Developing, or Ineffective.
3. Ohio Evaluation System (OhioES): The electronic system used by the District to report to ODE aggregate final holistic teacher evaluation ratings.
4. Evaluation Procedure: The procedural requirements set forth in this agreement to provide specificity to the statutory obligations established under sections 3319.111 and 3319.112 of the O.R.C. and that conform to the framework for the evaluation of teachers developed under section 3319.112 of the O.R.C.
5. High-Quality Student Data (HQSD): Quantitative information, derived from instruments reviewed and approved by locally determined education experts, which provides evidence of student learning that can be directly attributed to the teacher being evaluated.
6. Evaluation Instrument: The forms used by the teacher's evaluator as per O.R.C. 3319.111, 3319.112 and 3319.114. The instruments are located in Appendix A to this negotiated agreement.

B. Evaluation Purposes

The purposes of the teacher evaluation system are

1. To serve as a tool to advance the professional development of teachers individually and collectively in a school district, and

2. To assist teachers and administrators in identifying and developing best educational practices in order to provide an opportunity for student learning and growth, and
3. To inform instruction, and
4. To inform employment decisions.

C. Observation and Evaluation

1. A full Evaluation cycle shall consist of at least two (2), but no more than three (3) pre-observation conferences, observations, at least two post-observation conferences (one will follow the Holistic Formal Observation), and “informal observations” known as classroom walkthroughs, and one (1) summary evaluation meeting (which may be combined with the final post-observation conference). For all teachers there shall be one evaluation procedure which must occur by May 1 with a written report issued to the teacher by May 10.
2. A teacher’s performance shall be assessed based on criteria set forth in the teacher performance evaluation rubric, which is based upon the Ohio Educator Standards, Appendix A.5 of this Agreement. The Evaluation instrument will include all forms and rubrics used in the Evaluation Procedure.
3. No teacher shall be evaluated on his or her work performance except after direct, evidence based observations of the work performance.
4. No audio/visual recordings of classroom observations shall be used in the evaluation process. If there are technological issues affecting the teacher’s instruction in the classroom on the day of a scheduled observation, the teacher and evaluator may jointly agree to reschedule the observation.

D. Evaluators

1. The person responsible for assessing a teacher’s performance is the building administrator (principal or assistant principals) who is employed by the District and holding the licenses set forth in O.R.C. 3319.01 or 3319.02. However, in extenuating circumstances another principal, assistant principal, Special Education Director, or the Superintendent employed by the District may perform this function.
2. If an employee teaches in more than one (1) school, the administrators from one (1) of those schools shall be designated as the evaluating administrator.

3. Within fifteen (15) calendar days of the first day worked each year each teacher shall be notified in writing/email of the name of their evaluator(s). These timelines may be extended by mutual written agreement between the Superintendent and the HEA President due to extenuating circumstances. Should a change in evaluators be made the teacher will be notified within five (5) workdays of such change.

E. Observations

1. Schedule of Observations

At least two (2) but no more than three (3) formal observations shall be conducted to support each performance evaluation. A formal observation will last a minimum of thirty (30) continuous minutes. There shall be at least four (4) weeks between formal observations for teachers on an improvement plan and at least three (3) weeks between observations for all other teachers. If after the second formal observation a teacher's performance is found deficient to the extent that adverse personnel action may result, additional observations may be conducted.

2. Pre-Observation Conference

A pre-conference will be held at the request of the teacher or evaluator for each observation within one (1) workweek prior to the observation in order for the teacher to explain plans and objectives for the class to be observed. The teacher will provide the lesson plan and other pertinent material for the lesson.

If the evaluator has to cancel a scheduled observation for which a pre-observation conference has already been held a new pre-observation conference will be conducted, if requested in writing by the teacher, before the observation is rescheduled.

3. Observation

Observations will be documented on the Form in Appendix A.5.

F. Post-Observation Conference and Report

A conference will be held with the teacher after each observation within ten (10) working days of the observation, unless the administrator or teacher is absent or another time is mutually agreed to by the teacher and evaluator.

G. Walk-Throughs

1. A walk-through is conducted as follows:

- a. Walk-throughs will be documented electronically on the Form in Appendix A.6.

H. HIGH-QUALITY STUDENT DATA (HQSD)

- 1. Each evaluation shall contain at least two (2) measures of high-quality student data (HQSD) as agreed upon by the teacher and evaluator. When applicable to the grade level or subject area taught by the teacher being evaluated, HQSD shall include the value-added progress dimension as one (1) source of HQSD. HQSD may be used as evidence in any component of a teacher's evaluation where applicable.
- 2. When utilizing new vendor assessments to construct HQSD, related teaching, student, and other educational materials shall be purchased, and

all affected staff shall be offered training on utilization of the assessment program.

- a. The Evaluation Committee shall provide a recommendation to the Superintendent and Association President on the use of a proposed vendor assessment prior to submission to the Board of Education. The committee may ask for the vendor to make a presentation to the committee.
3. HQSD shall be used as evidence in any component of the teacher's evaluation related to the following:
 - a. Knowledge of the students to whom the teacher provides instruction;

- c. Committee Authority

If either party wishes to consider any change, deletion, or addition to the evaluation procedure or process, including the evaluation instruments, during the term of this agreement, it shall discuss the matter with the committee. If the discussion results in a recommendation by the committee to change or revise the evaluation procedure or process, including the evaluation instrument, then said recommendation shall be subject to ratification by both parties.

I. Written Evaluation

1. All observations will be consolidated into the written report on the OTES 2.0 Rubric which will be given to the teacher, and a conference will be held between the teacher and evaluator as set forth in section (C)(1) of this article.
2. The evaluation shall acknowledge the performance strengths of the teacher evaluated as well as performance deficiencies, if any. Information used to support the conclusions reached in the formal evaluation report will be substantiated and noted by the evaluator. The evaluation report will be signed by the evaluator. The evaluation report should then be signed by the teacher to verify notification to the teacher that the evaluation will be placed on file, but the teacher's signature should not be construed as evidence that the teacher agrees with the contents of the evaluation report. Should the report contain improvements needed, they will include assistance available to the teacher.
3. The Board may conduct the required full evaluation procedure for each teacher who received a rating of Accomplished on the teacher's most recent summative evaluation conducted under this section once every three years as long as the teacher and evaluator jointly develop a professional growth plan for the teacher that focuses on specific areas identified in the observations and evaluation and the evaluator determines that the teacher is making progress on that plan.

4. The Board may conduct the required full evaluation procedure for each teacher who received a rating of Skilled on the teacher's most recent summative evaluation conducted under this section once every two (2) school years as long the teacher and evaluator jointly develop a professional growth plan for the teacher that focuses on specific areas identified in the observations and evaluation and the evaluator determines that the teacher is making progress on that plan.
5. In any year that a teacher is not formally evaluated pursuant to Section I (3) or (4) as a result of receiving a summative rating of Accomplished or Skilled on the teacher's most recent evaluation, an individual qualified to evaluate a teacher, as set forth in Section 17.02(D) of the Agreement, shall conduct one formal holistic observation of the teacher based upon the agreed upon performance rubric of the educator standards set forth in the Agreement, and hold one conference with the teacher.
6. Should a teacher disagree with any Evaluation rating the teacher may file a written response which will be attached to the corresponding forms in the Appendix of this agreement.

J. Improvement Plan/Identification of Deficiencies

Teachers with a final holistic evaluation rating of Ineffective will be placed on a written improvement plan, Appendix A.3, developed by their credentialed evaluator, into which the teacher may provide input.

1. An Improvement Plan is a clearly articulated assistance program for a teacher whose performance on educator standards has been documented to be Ineffective by the evaluator.
2. The evaluator will formulate the improvement plan into which the teacher may provide input. The teacher may have Association representation of their choice at all meetings with the evaluator, but the availability of any particular representative shall not delay the meeting beyond two (2) work days.
3. The improvement plan, as outlined in this document, details:
 - a. The specific area(s) for improvement to be addressed in relationship to the Ohio Standards for the Teaching Profession. The Improvement Plan will be no less than fifty-five (55) calendar days.
 - b. The district will provide for the allocation of financial resources to support professional development for staff on improvement plans.

c. Includes resources and assistance available;

Plans are due by September 30, unless a later date is mutually agreed upon.

M. Evaluation Forms and Rubrics

Forms/Rubrics/Instruments to be used to complete the Evaluation Process will be those forms developed by OTES for the purposes of Pre-Conferences, Observations, Completed Evaluations, Walk-Through Forms, Improvement Plans, and Professional Growth Plans. Said forms will be included in Appendix A (1) through (6) of this Agreement.

N. Non-OTES Teachers

Teachers who spend less than 50% of their time providing student instruction, and/or are not subject to the OTES evaluation system will be evaluated using the evaluation procedures set forth in section 17.01.

A committee of five (5) representatives, (three (3) Association representatives selected by the Association President and two (2) Board representatives selected by the Superintendent) shall develop new forms and procedures that reflect the same four ratings (Accomplished, Skilled, Developing, Ineffective), which will be included in the Agreement upon ratification by both parties.

4. The counselor may submit a written response to the evaluation within twenty (20) days of the date of the final summative evaluation.

G. Professional Growth Plans and Professional Improvement Plans

Based upon the results of the evaluation conducted in accordance with this Section, each school counselor must develop either a professional growth plan or professional improvement plan as follows:

Ohio Teacher Evaluation System

Professional Growth Plan

Professional Growth Plan

The Professional Growth Plan helps the teacher identify areas of professional development that will enable the teacher to enhance practice. The teacher is accountable for implementing and completing the plan. The plan must align to any district and/or building improvement plan(s). The Professional Growth Plan is developed annually. It is to be reviewed regularly and updated as necessary based on collaborative conversations between the evaluator and the teacher.

The Professional Growth Plan should reflect the evidence available and focus on the most recent evaluation and observations. The Professional Growth Plan should be individualized to the needs of the teacher. Teacher Performance Evaluation Rubric

The **Teacher Performance Evaluation Rubric** is to be scored holistically. This means evaluators will assess which level provides the best *overall* description of the teacher. The rating process is to occur on completion of each 30-minute observation and post-conference. To determine the rating for each 30-minute observation, the evaluator is to consider evidence gathered during the pre-conference, observation, post-conference and classroom walkthroughs, if applicable. Note that when completing the performance rubric, evaluators are not expected to gather evidence on all *indicators* for each observation cycle. Likewise, teachers may, but are not required to, bring additional pieces of evidence to address all *indicators*. The professionalism section of the rubric may use evidence collected during the pre-conferences and post-conferences as well as information from the Professional Growth and/or Improvement Plan, if applicable.
